Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

The Controller has reported in his letter dated 19.10.1945 that the Madras Govt has introduced the system of eliminating arrears in all the bills of all the Local Bodies.

There does not seem to be any objection to have this same system introduced into the Local Bodies in the State, as proposed by the Financial Secretary.

Submitted for orders with reference to para 22 of the Notes

16/1/46

no mandatory order in this behalf seems to be passed in the case of local bodies Statutes

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

G.R.S. III—3]

Routine Notes.

To be used only for notes, requisitions, etc., not intended for permanent record.

If the proposed order the word "requested" is used. If deemed necessary the words "if not inconvenient" may be added after "requested" or "as far as possible" at the end of para 4. Better still the practice may perhaps be communicated to the local bodies. In the prison order in the Collection perhaps this aspect is not sufficiently brought out.

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

No. 672 WAD.Mis

Bangalore, dated 19th October *1925.*

From

T. SATYARAJ CHETTY, Esq., B.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

01 OCT.

To

Rajakaryaprasaktha Diwan Bahadur
M.N.Krishna Rao, Esq., B.A.,
Financial Secretary to the Govt. of Mysore,
Bangalore.

Sir,

I have the honor to state that under Government Order No.Fl. 1530-1-64 G.F.204-23-1 of 26th March 1924, pies are eliminated in Government Accounts. In the Public Works Department, this was brought into effect earlier (vide Article 93 Mysore Account Code, Volume 3 Part I). The Madras Government have now introduced elimination of annas in the bills of contractors of all departments of Government and of all Local Bodies. A copy of their notification No.1081 published on page 470 of Fort St. George Gazette dated 29th September 1925 is herein enclosed for information. This procedure, if introduced in this state, will tend to simplify arithmetical calculations both in the departments and in this office. It may, if Government approve be adopted advantageously in the cases of payment of bills for work done, supplies received ~~or~~ services rendered. This will not affect cases where tenders have been invited or accepted under the existing procedure. I request you will obtain the orders of Government in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

T Satyaraj Chetty

Comptroller.

Fort St. George Gazette dated 29-9-25 page 470 No.1081.

========

Government Order No.Mis.3435 L&M. of 22-9-25.

=========

The Government have adopted the following system of rounding off fractions of a rupee or annas as the case may be, in payments to be made to contractors by Government. Fractions of a rupee in the totals of contractor's bills are rounded off to the nearest rupee (i.e., fractions of less than half a rupee are disregarded and half a rupee and over are taken as a rupee) in the case of bills amounting to Rs25/- and upwards. The totals of bills for less than Rs25/- are rounded to the nearest anna (i.e., amounts below six pies are dis-regarded and six pies and above are taken as an anna).

2. Local Boards and Municipal Councils and the Madras Corporation are requested to adopt the above system in respect of their payments to contractors. The system may be adopted by them immediately unless in any case, tenders have already been invited under the existing procedure. In those cases, the system may be adopted with effect from 1st April 1926. In all future agreements entered into by the Local Bodies with contractors, a specific condition as to rounding off payments as in paragraph 1 above should be inserted.
